

Fair weather and the boys love
Fair weather and the boys love
Fair weather and the boys love
Are not to be trusted

A friendly wolf

An honest thief

A priest's faith

An autumn leaf

Fair weather and the boys love

Are not to be trusted

Walk out in the sun

Come home in the rain

Walk out with a boy

Go home with a man

'Cause fair weather and the boys love

Are not to be trusted

Fair weather and the boys love

Fair weather and the boys love

Fair weather and the boys love

Are not to be trusted

A healthy horse

A punctual bus

An honest thief

An autumn leaf

Fair weather and the boys love

Are not to be trusted
